

Seven Steps Up ~ Event & Banquet Center

Seven Steps Up is the restored grand ballroom of the former Spring Lake Masonic Temple. As a designated historical landmark, we've retained much of the original early 1900 splendor and craftsmanship while adding modern touches to enhance your event. The original maple hardwood floors, exposed Chicago common brick walls, 16-foot wood-beamed ceilings, and original window headers and sills give the room a turn of the century appeal.

We've strived to create more than just a "table & chair" event hall. Conversational seating areas and gaming zones provide options for your guests to socialize away from the dining table. For formal events, game tables can be covered with linens and decorations to provide food or gift stations. For more casual parties, your guests may enjoy a game of pool, ping pong, darts, Wii games, or bean bag toss. We can help you customize your event from the very formal to the very casual. We want you to feel like you're entertaining in your own home. Relax, enjoy your guests and let us take care of the details.

A modern media center accommodates your music and video/slide presentations. Many of our clients bring their own music mix on an MP3 or iPOD player. A large screen LCD can display your presentations or we can project them to an 8-foot screen. Wireless microphones are available for your announcements.

Choose from our list of excellent catering companies to custom design your own menu. All beverage service is provided by Seven Steps Up. We'll work closely with you to provide your guests with a variety of alcohol and non-alcohol beverages.
