

Party at *Seven Steps Up* Event & Banquet Center

Seven Steps Up is the restored grand ballroom of the former Spring Lake Masonic Temple and a designated historic landmark. We've retained much of the original splendor and craftsmanship from the early 1900's while adding modern touches and technology to enhance your event. Sixteen foot beamed ceilings, restored original maple flooring, exposed Chicago common brick, and other touches provide an amazing setting for your party.

Modern technology additions allows video presentations on an 8 foot projector screen or a 54" flat panel LCD. We've coupled the presentation technology with a room-balanced crystal clear audio system including wireless and corded microphones. A media center allows you to drop in you personal iPOD with your own music mix.

Seven Steps Up provides a full service bar (alcohol or non-alcohol beverages). Chose from our list of outstanding affiliated catering companies to provide dinner, appetizers, or almost anything you can imagine.

Whether you're planning a class reunion, birthday or anniversary party, company holiday party, or graduation party, Seven Steps Up is the place for your guests to gather for fun and entertainment. There's always something fun to do at Seven Steps Up. You and your guests can play pool or ping pong, darts, or bean-bag-toss. Bring your own Mii and use our Wii games and controllers on our 54" LCD HD flat screen.

We'll work with you to accommodate the decorations for any themes for your party. We can accommodate a sit down dinner event for 96 guests, or for a strolling buffet party, we can accommodate parties of 150 guests.
